Proudly Offer

**Limited Edition Signed and Numbered Prints
of the “Ships of Columbus”**

Dear Brothers Knights:

We are pleased to announce the Limited Edition Signed and Numbered Prints of the “Ships of Columbus”. The original painting is prominently displayed at the Knights of Columbus Museum in New Haven, Connecticut. It is the premier piece at the front entrance. The artist, John Richard Perry is one of the foremost marine artists in the United States. His paintings are included in the collections of Presidents, Queen Elizabeth II, U.S. Senators and other dignitaries. He is a member of the International Society of Marine Painters and the National Maritime Historical Society.

Prints are being offered to our Maine Knights of Columbus Members first. Profits from these priceless reminders of our namesake will be used for charitable purposes. It’s not only a great gift, but it is a great fundraiser for Councils. The prints will soon be available on the Maine State Website and will be available to purchase or order at this year’s convention at the Samoset. Until then you can request an order form with sample photos by emailing gary@smithbrosmaintenance.com.

The purchase price is \$185.00 (framed and matted/20 x 28) or \$100.00 for the print only (unframed/unmated). The frames are offered in Oak, Cherry and Black. You can choose either light or dark blue matting. Don’t miss out on this great opportunity. Please feel free to call me with any questions. I can be reached at (207) 363-8184 (home) or (207) 252-4805 (cell).

Fraternally,

Gary Smith
